The original studio arts trail

For more than 20 years, visitors have followed our arts trail in and around the Lune Valley, seeking out the work spaces of some of the north-west's most creative artists.

To purchase work direct from the artist or perhaps commission an exclusive piece, just ask. To view a selection of further work from each artist see website details on the studio listings page.

You can also visit the Trails website at www.lunesdalearts.co.uk

If you're new to the trail please take a moment to leave your contact details with the artists visited, so we can keep you up to date with future events.

If you're planning to make a full day or two of visiting the trail and the surrounding areas there are many excellent hotels, restaurants and pubs in and around the Lune Valley, Ingleton and Kirby Lonsdale. Please visit our website for recommendations.
